**Volume Title:** \_\_\_\_\_

transfer to Heidelberg University Library for the duration of the copyright term and with no regional limitation the non-exclusive right to reproduce the work, which may consist of one or more files, and the supplied metadata on its servers, to store it permanently and electronically and to make it available on international data networks. The rights to exploit the work in any other form will remain unaffected. Heidelberg University Library is entitled to make such modifications as are technically necessary to ensure the long-term preservation of the work while maintaining the integrity of the work's contents.

(please choose one option)

the [Creative Commons-Licence 4.0 \(CC BY-SA 4.0\)](#),

a different [Creative Commons-Licence](#) (please specify): \_\_\_\_\_

the label „Freier Zugang – alle Rechte vorbehalten“ (,free access, all rights reserved‘).

In addition, I transfer to the University Library the right to copy and distribute the work, respectively the files provided with a corresponding license, as a Print on Demand (PoD) version or on any storage medium (CD-ROM, CD-I, E-Book, etc.).

Heidelberg University Library is entitled to transfer the rights granted by this agreement, without special permission, wholly or partially to another person and to transfer non-exclusive rights to other libraries, archives or open access platforms, such as repositories of the relevant special subject collection libraries, in case of a PoD license to service providers and to supra-regional network database systems for long-term preservation, such as the Deutsche Nationalbibliothek/ German National Library Frankfurt/Main, Leipzig.

I certify that I am authorized to grant the rights of use to the work, including the contained text and/ or images of a third party.

I further certify that I am responsible for the content of the work and that with such a publication no legal regulations or rights of a third party are infringed.

I commit myself to inform Heidelberg University Library immediately if after publication alleged or actual infringements of third party rights should be enforced and to release the University Library from any third party claim and to cover all costs resulting from such claims.

I will not receive any compensation for the publication of the submitted work..
